

Catholic Social Teaching at St Joseph the Worker

Human Dignity – We are all created and loved by God

We are all made in God's image.

Every person - no matter who they are - should be valued and loved.

Solidarity and The Common Good – We are all one family

We think about what is good for everyone, not just ourselves; we show empathy.

People live life to the full when they are in relationship with others.

Preferential Option for the Poor – We are called to help those in need

We care for those who suffer most.

Many people suffer from poverty, illness, or by being excluded from our world family

Care for our Common Home – We look after God's creation

We are responsible for looking after the world we live in.

The earth and all life on it are a gift from God.

Peace – We love one another

We are kind, we listen to one another, and we understand. We are slow to anger.

There are too many arguments and wars. All people should be able to live in peace.

Participation – We have the responsibility to act

We take action where we can, we don't leave it for others to do.

All people have a right to life, food, shelter, health, care, education and employment.
